The Rogue Wonderland Association would like to thank all of those who have worked this year, and in previous years, to help make the annual Junior Achiever award program a success. The Rogue Wonderland changed it's format this year and is not holding it's annual festival, but the members did feel that the Junior Achiever Awards were important enough to be run as an individual program. By changing the Association's format, the members feel they can work more efficiently for the improvement of the work area and community. We hope that all of you have enjoyed this evening and we thank you for your continued support of our community efforts.

Sweem tabbed Junior Achiever

SHADY COVE Eagle Point High School senior David Sweem May 18 was named Junior Achiever of 1985 at the Rogue Wonderland Association's annual Junior Achiever awards dinner held at the Upper Rogue Community Center.

First runnerup in the contest was EPHS senior Rhonda Welch, and second runnerup was junior Steve Brackett. Sweem won $100, a certificate and will have his name engraved on the Junior Achiever trophy. Both Welch and Brackett won $75 and certificates of achievement. Judges were Jerry Allen, of radio station KYJC, and Dennis Bateman and Clay Vander-

Brackett is a veteran of SOSC math competition, plays in the jazz band, and has won numerous FFA awards for showmanship. He's active in track, basketball, cross-country and student council.

In other awards, students from Shady Cove School won cash and certificates for their winning entries in the "What I like best about living here" writing contest. In seventh and eighth grade competition, Matt Lake was first, winning $10, Rhonda Sullivan was second, winning $5, and Christina Belcher was third, winning $5. Among fifth and sixth graders, Gen Rowell took the $10 first prize, Gwendolyn Davis was second, winning $5, and Brandy Ritter was third, winning $5.

Student drawings from Elk-Trail School earned the school a $40 gift certificate.

The Junior Achiever prgram annually recognizes outstanding young people from the area between Highway 234 and Peyton Bridge. Cash for the awards is donated by Mrs. Eva Segessenman and the many merchant sponsors of Rogue Wonderland.
